Quality First Teaching : expanding thinking for C21st learning.

A one day conference in Bournemouth to explore links between proven classroom techniques for educational research and outstanding classroom practice. How can schools enable practitioner enquiry to support Quality First Teaching for all ?

Keynote 1 :

Professor Bill Lucas

Expansive Education :
preparing for teaching beyond
outstanding

Expansive Education is an approach to teaching and learning that develops life-long learners. Central to this practice is Practitioner Enquiry and Action Research as ongoing CPD for teachers to develop positive attributes in learners, preparing individuals to meet the challenges of life and work.

Keynote 2 :

Mike Hughes

Leadership for Learning,
Tweak to Transform,
Magenta Principles

"The best bit about Mike's event was that it reminded me why I became a teacher and what I love about teaching."

"There was an overwhelming feeling that the ideas made sense and because of which they were achievable for all teachers regardless of their subject area or experience".
