

¹ What's your 'issue'? What's going well and could go even better? Where could you improve? How can you create more powerful learners? How is your issue concerned with expanding the capabilities of your learners?

² What do you think might explain what is going on?

³ What does the 'research' say?

⁴ If I do x, will y happen? How does x impact on y?

⁵ How does this enquiry fit with your school's priorities? How might it contribute to a better understanding of expansive education?

⁶ Who? What? When? Where? How?

⁷ How will you notice changes? Choose up to 3 different methods
